

Youth Fly Fishing Academy October 16th and 17th

In partnership with the Parkway Trust and the San Joaquin River Conservancy, the Fresno Fly Fishers for Conservation is offering a two-day fly fishing academy for young people 11 to 15. Instruction will include casting, fly tying, conservation, and a host of other skills offered by the experts of the oldest fly fishing club west of the Mississippi. The course includes a day of one-on-one experience fishing local waters that are rarely open to the public.

All instructional material and equipment is provided. There is a \$25 fee (a few scholarships are available) and adult or parental participation is required. Enrollment is limited to a dozen serious young people who would like a special introduction to this engaging sport.
