

50 Years

Fly Fishers for Conservation
Fresno

FFFC

Founded in 1961

2012

Fly Fishers for Conservation, Inc., Fresno, CA, is the oldest fly-fishing only club in the Western United States. We are one of the original founders of the national organization Federation of Fly Fishers. 2011 was our 50th year of promoting conservation and education through the sport of fly-fishing. One of the highlights of the year is our annual Youth Fly Fishing Academy.

Our Mission:

Fly Fishers for Conservation (FFFC) was organized in 1961 by a group of devoted fly fishers deeply concerned with the preservation of trout and all game fish, their environment, and the quality of fishing. Our club has maintained two goals since that time:

To protect, conserve, and increase our angling resources.

To foster and promote the sport of angling with artificial flies.

Please Join Us:

We meet the 4th Thursday of each month at the Sportsman's Club (10645 N. Lanes Rd). Our meetings start at 6 PM with skills (Casting, Fly Tying, etc.). Our general meeting begins at 7:00 PM.
